

HOUSE BILL 2522  
By Baird

AN ACT to amend Tennessee Code Annotated, Title 49,  
Chapter 50, to enact the "Tennessee Student  
Health Act."

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 50, is amended by inserting sections 2 through 9 of this act as a new, appropriately designated part thereto.

SECTION 2. This act shall be known, and may be cited as, the "Tennessee Student Health Act".

SECTION 3. Each local education agency shall establish by January 31, 2007, for its district a student health advisory council. The council shall be composed of members of the community who are knowledgeable and licensed professionals respective to education and educational curriculum, nutrition, and health and fitness, and a representative of the school nutrition program. The council shall develop a plan to specify how the local education agency shall develop and implement physical education programs that encourage students to build strength, maintain flexibility and participate in aerobic exercise as a means of developing lifelong habits of fitness and health. In addition, the council shall assess on an annual basis the local education agency's compliance with health, nutrition and physical fitness curriculum requirements, as well as its compliance with laws, regulations or policies regarding vending machines, food services and the nutritional content of food served to students, and anti-tobacco policies or educational efforts. The school health advisory council shall coordinate its efforts with the plans of the county or regional health councils.

SECTION 4. Every public school student in kindergarten through grade eight (8) shall

participate in physical education and physical activity for the entire school year. Students in kindergarten through grade five (5) shall participate in physical activity for at least one hundred fifty (150) minutes during each school week. Students in grades six (6) through eight (8) shall participate in physical education and physical activity for at least two hundred twenty-five (225) minutes during each school week.

SECTION 5. Each school shall have a licensed physical educator who shall oversee the implementation of the physical education and the physical activity programs.

SECTION 6. The state board of education shall provide for a program of instruction that includes physical education academic content standards. Such standards shall include a sequential, developmentally appropriate curriculum that is designed, implemented and evaluated to help students develop the knowledge, motor skills, self-management skills, attitudes and confidence needed to adopt and maintain physical activity throughout their lives. Local education agencies shall offer instruction in physical education that meets the physical education academic content standards.

SECTION 7. The state board of education shall create, and fill, a position for a director of physical education among whose duties shall be to:

- (1) Seek funding and resources so that the local education agencies can meet standards for qualified physical education teachers and programs by 2009;
- (2) Serve as a resource and support person for any school or local education agency seeking information relating to physical education; and
- (3) Coordinate or oversee any state or local physical education workshops, inservices, or other physical education developmental training opportunities for those providing physical education to students in public schools.

SECTION 8. All teachers of physical education in kindergarten through grade eight (8)

shall be adequately prepared and shall regularly participate in professional development activities to effectively deliver the physical education program.

SECTION 9. The commissioner is authorized to promulgate rules and regulations to effectuate the purposes of this act. All such rules and regulations shall be promulgated in accordance with the provisions of Tennessee Code Annotated, title 4, chapter 5.

SECTION 10. This act shall take effect upon becoming a law, the public welfare requiring it.
